

Keats Island Fire Equipment Group

Registration & Contribution Form - 2012

The purpose of this form is to provide information that will enable Group coordinators to keep you informed of equipment practises, to identify each other's property; and enable us to contact you, or your alternate, if a problem occurs while you are off island. Please mail this to us with your 2012 contribution.

First Time Contributor?	YES	NO	
Names of Property Owners/Residents	Keats Phone	Cell Phone	Other Phone

Keats Island street name with house number: _____

By signing below I acknowledge that the Keats Island Fire Equipment Group (KIFEG) has been established by neighbours for the purpose of acquiring and training in the use of fire suppression equipment and to which we contribute money and/or time for the purpose. Out of our equipment fund we acquire group-owned equipment that ordinarily we would not be willing, or able to acquire individually.

*Our aim is purely to be a self-help group and we do not either individually or collectively undertake or hold ourselves out to be available for, or to respond to, calls for fire, accident or health related incidents either within the KIFEG or to the Keats Island Community at large. **In other words, we are not, either individually or collectively, trained fire fighters or a volunteer fire department.***

*The purpose of our equipment is to provide each of us with access to fire suppression equipment that we can operate ourselves. Our equipment is comprised of pumps and hoses intended for our own use. It does not include flame resistant clothing, firefighters' turnout gear, or breathing apparatus. **We recognize that the most likely application and value of our group-owned equipment will be to provide us with tools that may help us to contain a fire from spreading to or from the forest, or to other property.** We are each of us responsible only to our self for being familiar with the function and use of our equipment and the current state of its condition and maintenance.*

For 2012, it is suggested that a KIFEG contribution of \$100 per household would help us achieve our equipment and maintenance goals in the following year .

<i>Contribution Amount</i>
\$ _____

Yes I am interested in having my tank cleaned, and valve installed for an **ADDITIONAL \$150**

Please make cheque payable to "Keats Island Fire Equipment Group", or to "KIFEG", and send it, with this form to the following address:

Signed: Dated: _____
